

Episode 56GP July 29, 2023. Don't trust federal U S Government wood burning regulations under 35. Use a complaint based system instead.

Episode 56GF July 19, 2023. The Ask: Request a complaint-based system from 10 Attorney Generals suing the E P A to give wood stove users "certainty".

The Ask: Please Contact 10 Attorneys General about an August 2023 suit versus E P A asking for "certainty" for wood stove users. RAWSEP asks for a complaint based system based on PM2.5 monitor data exceeding E P A PM2.5 "safe" limits, using fenceline measurements at yards of near neighbors.

A new icon has been added to the RAWSEP Website, which is now the nearest right icon. The icon is an ask that has already been described in Episodes 56GB (description of the parties who should be at the table when deciding on "safe" wood stove emission limits and fenceline measurements, rather than wood stove certification) and 56GBa (emails to contact 10 Attorneys General) (those two PDFs are included at the icon link).
