

Episode 56NS December 22, 2023. You're Emitting Old Card Game.

You're emitting

OLD (Card Game)

You hear that Canadian wildfire smoke has infiltrated the United States in June 2023.

You say "Those are Fossil Fuel emissions"

YouREDEEM yourself.

You say, "That's wood smoke like from my fireplace".

You're emitting

OLD (Card Game)

You notice that wood smoke is infiltrating your yard from indoor residential wood burning.

You say "Inhaling wood smoke is healthy"

YouREDEEM yourself.

You say, "That wood smoke will shorten my life if I exercise outdoors".

You're emitting

OLD (Card Game)

You hear Heat Pumps rebates up to \$8,000 per household are offered in 2024..

You say "Heat Pumps don't work in cold temperatures"

YouREDEEM yourself.

You say, "Heat Pumps work at temperatures down to 40 degrees below zero in 2024".

You're emitting

OLD (Card Game)

You consult the US EPA Map of Smoke and Fire when wildfire smoke infiltrates your area.

You say "These maps are enough information about air pollution from wood smoke"

YouREDEEM yourself.

You say, "I need a hyper-localized PM2.5 PurpleAir monitor in my backyard".

You're emitting

OLD (Card Game)

You hear that wood smoke emits more PM2.5 and CO<sub>2</sub> than fossil fuel coal burning..

You say "They didn't say that in the wood stove store"

YouREDEEM yourself.

You say, "I'm going to get rid of my wood stove and replace it with a Heat Pump".

You're emitting

OLD (Card Game)

You hear that wood smoke emits 450 PM2.5 than fossil fuel natural gas burning.

You say "They didn't say that in the wood stove store"

YouREDEEM yourself.

You say, "I'm going to get rid of my wood stove and replace it with a Heat Pump".

You're emitting

OLD (Card Game)

You hear that the EPA NSPS program for certifying your wood stove is a failure.

You say "The government will only take my wood stove away from my cold, dead hands"

YouREDEEM yourself.

You say, "I want to be healthy and I want my near neighbors to live long and prosper".

You're emitting

OLD (Card Game)

You hear that the wood smoke from your wood stove is like secondhand cigarette smoke reaching your near neighbors.

You say "I don't care" (RSV doesn't care)

YouREDEEM yourself.

You say, "I want my near neighbors to live long and prosper".

You're emitting

OLD (Card Game)

You hear a C O P 28 resolution has labeled fossil fuel emissions a problem. Wood burning emissions are ignored.

You say "That means I should burn more wood"

YouREDEEM yourself.

You say, "If fossil fuel burning is a problem, wood burning is more of a problem".

You're emitting

OLD (Card Game)

Some politicians say wood burning is Carbon Neutral, although scientists and doctors disagree. You say "I would rather believe a politician than a medical doctor, when it comes to my health."

YouREDEEM yourself. You say, "I would believe a doctor talking about my health and early death.".
