

Episode 57DHXX July 24 2025 RFK Kennedy Junior Motivations for Cruelty explained by a family member

Massachusetts and Mississippi RAWSEP View RFK Kennedy Junior Motivations for Cruelty explained by a family member Actually the title which RAWSEP chose for this episode is deceptive The editor of RAWSEP hoped that the nephew of RFK Junior would explain the motivations of RFK Junior to cruelly delay or deny life saving vaccines to the American People in 2025 Joseph Kennedy the Third did not The bloom has come off the rose of the Kennedy name thanks to the nepotism of RFK Junior only for RFK Junior to impose unnecessary hardship and death already during his six month tenure as head of Health and Human Services under Trump The editor of RAWSEP hoped that Joseph Kennedy the Third the nephew of RFK Junior would go into detail about the abuses of power of RFK Junior in 6 short months but we are left with a mild rebuke of the RFK Junior efforts to ban synthetic dyes rather than deal with real problems This article does not mention the RFK Junior delay if not ending of lifesaving vaccines for the American people in 2025 The editor of RAWSEP believes that Joe Kennedy the Third offered no more than his misused and debased Kennedy name as currency in a race against Edward Markey of Massachusetts for U S Senate in 2020 which is also what RFK Junior briefly offered as candidate for President in 2024 Thankfully Democrat and Climate Advocate Edward Markey still retains his seat as Senator of Massachusetts and is still ably representing Massachusetts and American across the country As to what Joe Kennedy the Third offers to Rural voters Rural voters are exposed to the same information as urban voters through the internet and rural voters are given the same educational opportunities as urban voters in the opinion of the editor of RAWSEP Rural voters should not be talked down to or catered to as intrinsically morally bankrupt or selfish as Joe Kennedy the Third seems to view them including in this article the rural poor of Mississippi and West Virginia If Joe Kennedy the Third formed a charity which gave all the Kennedy personal wealth to the rural poor that would be more productive than anyone with the Kennedy lineage continuing to pursue public office for their own selfish and aggrandizing reasons which if like those of RFK Junior today are also morally bankrupt reasons

From the article headline A Kennedy Joseph Kennedy the Third the nephew of RFK Junior Toils in Mississippi Tracing the path of His Grandfather Robert F Kennedy in the 1960s **Excerpts edited for brevity and clarity and relationship to Residents Against Wood Smoke Emission Particulates a 501C nonprofit organization** July 26 2025 The New York Times Joseph Kennedy the Third is on a mission to continue the legacy of an American political family that has in recent years lost some of its liberal luster **RAWSEP interjection** The Kennedy name has lost all of its luster Find another way to make a living if you even need to Joseph Kennedy the Third **Back to the excerpts** It angers him that his uncle Robert F Kennedy Junior the health and human services secretary is a key figure in an administration that is overturning core values of his family RFK Junior the health secretary has defended work requirements for Medicaid recipients which do not work the younger Joe Kennedy the Third said The only thing they succeed at is kicking people off Medicaid who need it Image of Senator Robert F Kennedy visiting Greenville Mississippi in 1967 On the elder RFK Junior efforts to ban food dyes his nephew dismissively replied It is not the dyes that are making people obese Still he shares with his uncle the belief that Democrats are increasingly captive to an urban elite His own trajectory followed the meticulously laid Kennedy path of public service merging with political advancement In September 2019 he announced his candidacy for the Senate a body in which three Kennedy legends his grandfather his great uncle the former president and his uncle Ted had previously served But the 73 year old Democratic incumbent Senator Edward J Markey outfoxed his younger opponent by recasting himself as a rabble rousing progressive in the manner

of Representative Alexandria Ocasio Cortez of New York who endorsed incumbent Massachusetts Senator Edward Markey Joe Kennedy the Third whose tendency is to speak in carefully constructed paragraphs struggled to come up with his own pithy pitch to voters Incumbent Senator Edward Markey won the September 2020 Massachusetts primary by 11 points and Joe Kennedy the Third became the first in his family to be defeated in a senatorial contest [Headlines The New York Times July 25 and 26 2025](#)
