

## Webisode 57DHYAFB December 11 2025 The Drone Tour of European Russia and Ukraine!

Larry the Litigator here in the RAWSEP studio with all air purifiers running and the entire RAWSEP Audience wearing the stylish ski goggles in solidarity with Residents Against Wood Smoke Emission Particulates a 501C3 nonprofit organization in solidarity with the personal protective equipment that protects the eyes of near neighbors from the PM 2 point 5 emissions from indoor residential wood burners in their yards which also infiltrates their homes in their own hyper localized neighborhoods!

RAWSEP Audience Hey Larry! Why are we calling this The Drone Tour of European Russia and Ukraine?

Larry the Litigator Our special guest today is Ernestine the Scholar who speaks in English since birth Russian since the 1980s and now German starting in the 2020s! Ernestine the Scholar I was inspired by the democratic ideals of Gorbachev in the nineteen eighties to learn Russian and inspired by the democratic ideals of Angela Merkel in the twenty teens to learn German! My name is Ernestine which sounds just like interesting does it not RAWSEP Audience? Folks?

RAWSEP Audience Ernestine sounds like Ernest and sounds like droning on and on!

Ernestine the Scholar Here I am right here in your TV studio ready to answer any questions that are on the tip of your tongues because the subject of Drones is inherently interesting today! Did you know that Russian Drones are flying over much of Europe these days making the possibility of Russian incursions into many parts of Europe not just a possibility but a real world geopolitical problem? Let me introduce my colleague Matt the Mapmaker!

Matt the Mapmaker I am giving you the latest information I have! This information is from November 5 2025 more than a month ago! I have been busy remaking the maps of Europe in anticipation of overthrow by Russia since November 5 but this is old news from November 5 2025! My work gives you a taste of recent drone sightings in Europe! Russian drone incursions and airspace violation of European NATO countries have increased since September 2025 when more than 20 Russian drones entered Polish airspace and three Russian military jets violated the airspace of Estonia for 12 minutes!

Ernestine the Scholar Since then many drone flights the origin of which are mostly unknown have disrupted airspace operations in Europe! European Commission President Ursula von der Leyen has called the incursions hybrid warfare and while she has not said Russia was responsible for all the incidents she said it was clear the aim of Russia was to sow division in Europe! Matt the Mapmaker pointing to a Map! This map shows sightings of drones and airspace violations in Europe by Russia Belarus or unknown actors so far this year until November 5 2025! Some of the biggest airspace violations and drone sightings reported so far this year by November 5 2025 have been in 1 Belgium 2 The Czech Republic 3 Denmark 4 Estonia 5 Germany 6 Lithuania 7 Norway 8 Poland 9 Romania and 10 Spain!

RAWSEP Audience Where were there drone sightings in 1 Belgium between September and November 5 2025? Matt the Mapmaker In Belgium the Brussels and Liege airports were closed on November 4 2025 in the evening after drones were spotted! This resulted in those two airports in Belgium diverting many incoming planes and preventing others from taking off! The Brussels airport reopened Wednesday morning November 5 2025 though some flights were cancelled and others delayed!

Belgian Defense Minister Theo Francken said on November 3 2025 that police were investigating drone sightings over the Kleine Brogel air base in northeast Belgium! The country of Belgium opened an investigation in November 2025 after two drone sightings over a military base in the southeast of Belgium!

And Belgium opened another inquiry in October after several drones were spotted flying over a military base at Elsenborn on the German border!

RAWSEP Audience Where were there drone sightings in 2 The Czech Republic between September and November 5 2025? Matt the Mapmaker The Czech army said on September 10 it was detecting an increasing number of unidentified drones flying over its military facilities according to the Institute for the Study of War research group!

RAWSEP Audience Where were there drone sightings in 3 Denmark between September and November 5 2025? Matt the Mapmaker In Denmark drones disrupted air traffic at six Danish airports in September including in Copenhagen the busiest airport in the Nordic region in what Prime Minister Mette Frederiksen called a hybrid attack on her nation!

RAWSEP Audience Where were there drone sightings in 4 Estonia between September and November 5 2025?  
Matt the Mapmaker In Estonia three Russian military jets violated the airspace of Estonia for 12 minutes on September 19 2025 before NATO Italian fighter jets escorted them out! Estonia is a NATO member!

RAWSEP Audience Where were there drone sightings in 5 Germany between September and November 5 2025?  
Matt the Mapmaker In Germany the Berlin and Bremen airports briefly closed in early November after two separate drone sightings local media reported! Drones were spotted at airports and military installations across Germany earlier in October! A German newspaper quoted a confidential police report as saying suggesting sightings at Munich Airport on October 3 were the tip of the iceberg! The interior ministry of the German state of Schleswig Holstein said on September 26 that drones had been sighted overnight and they were being investigated for possible espionage and sabotage!

RAWSEP Audience Where were there drone sightings in 6 Lithuania between September and November 5 2025?  
Matt the Mapmaker NATO member Lithuania closed Vilnius Airport and Belarus border crossings on October 28 after several objects identified as likely helium balloons entered its airspace! The National Crisis Management Centre said that was the fourth such incident in a week! The country of Lithuania said on October 23 that two Russian military aircraft had entered its airspace for about 18 seconds prompting a formal protest and a reaction from NATO forces while Russia denied the incident!

RAWSEP Audience Where were there drone sightings in 7 Norway between September and November 5 2025?  
Matt the Mapmaker The Oslo Airport in Norway temporarily paused one or several landings early on October 6 after a report of a drone sighting near the airport its operator Avinor said!

RAWSEP Audience Where were there drone sightings in 8 Poland between September and November 5 2025?  
Matt the Mapmaker Polish MiG 29 fighter aircraft intercepted a Russian reconnaissance plane over the Baltic Sea on October 30 Polish Defense Minister Wladyslaw Kosiniak Kamysz said! The Polish army said that its jets had intercepted a Russian aircraft flying a reconnaissance mission in international airspace over the Baltic Sea on October 28! Some 20 Russian drones entered the Polish airspace on the night of September 9 to 10! NATO deployed F35 and F16 fighter jets helicopters and a Patriot air defense system to respond to the incursion!

RAWSEP Audience Where were there drone sightings in 9 Romania between September and November 5 2025?  
Matt the Mapmaker Romania scrambled fighter jets on September 13 when a drone breached Romanian airspace during a Russian attack on Ukrainian infrastructure near the border the defense ministry said!

RAWSEP Audience Where were there drone sightings in 10 Spain between September and November 5 2025?  
Matt the Mapmaker In Spain flight operations at Palma de Mallorca Airport were temporarily suspended on October 20 following drone sightings according to the Islas Airways ISW which is International Civil Aviation Organization ICAO code for the Spanish airline!

Larry the Litigator So Matt the Mapmaker have you had to change any border lines on your maps of Europe based on these Drone sightings?  
Matt the Mapmaker Thankfully no!  
Larry the Litigator

So Matt the Mapmaker why did you stop paying attention to drone sightings between November 5 2025 to today December 11 2025?  
Matt the Mapmaker You know same old same old!

Larry the Litigator Sounds like you are asleep on the job?  
Matt the Mapmaker I had to prepare for this interview!  
Larry the Litigator Well keep us informed in your laconic fashion!

Matt the Mapmaker Will do!  
Larry the Litigator Well RAWSEP Audience I feel fully informed at least about the ongoing threat of Russian drones on the European populace! How do you feel RAWSEP Audience?  
RAWSEP Audience We feel that Russia is expanding its aggression against Ukraine to the continent of Europe! What geopolitical forces could be supporting this unabating aggression? What could it be? What could it be?  
Larry the Litigator Look no further than the current leader of your supposedly free and democratic country RAWSEP Audience! I will remain uncharacteristically mum on further revelations because I really do not fully understand what is going on! But we have a pretty map to look at circa November 5 2025! Mums the word and keep it clean RAWSEP Audience! Adieu for now!
