

Webisode 57DHYAFZZFLHK March 18 2025 1 2 3 What are we fighting for?

I say 1 2 3 what are we fighting for?
You asked me! I do give a damn!
The next stop is another door slam!
And 5 6 7 a stop at the pearly gates!
You make me stop and wonder why?
We have to hurry or we are going to die!
Who are the service members so far?
They are Noah and Declan and Cody
And Robert and Nicole and Jeffrey
The service members on the refueling plane
Are Ariana and Ashley and John
And Seth and Curtis and Tyler 28 then
Ben 26 who died on March 8 2026
From injuries in Saudi Arabia on March 1 2026
We are fighting for oil or so people will forget
That Dump has a potentially criminal scandal yet
That would not be a reason for a sane person
To start a war with no conceivable reason
So the conclusion to be drawn
Is that we are losing lives and treasure
Using our tax dollars as the measure
At 1 or 2 billion dollars a day
To keep prosecutors at bay
In wartime Dump is a middleman
Feeding information via Russia to Iran
Refusing help from democratic Ukraine
Because this war is muddy not plain
This war is dirty energy and grabbing oil
On the path of lobbyists in polluting air
I say 1 2 3 what are we fighting for?
You asked me! I do give a damn!
The next stop is another door slam!
I connect the war to air pollution
Knock on doors to point out solutions!
Democrats at home talk of domestic dollars
Squandered on groceries keeping us collared
As the underclass under a brutal fist
Shocked farmers with a mill and no grist
Fired scientists and physicians
No vaccines for fellow humans
Vaccines are the bright light for me!
Resuscitated by a judicial decree!
Out of nowhere a light of hope
8 months of persistent lawyer labor
A Federal District decree! Stop and savor
For now until the war on vaccines again commences
To Taking away health protection and reel our senses

The stupidity of it all is monumental
Is it the vanity of one or elemental
To a political party that spells autocracy?
Claw back civilization and our democracy!
Knock on doors and talk to the friendly
Discover not all of us are the enemy
The enemy is within the highest reaches
Confusing to those who walk in peace!
I say 1 2 3 what are we fighting for?
You asked me! I do give a damn!
The next stop is another door slam!
And 5 6 7 a stop at the pearly gates!
You make me stop and wonder why?
Counter with caring and seeing eye to eye!
