

Trivia Contest Winners at Twelfth of Heaven August

Song Cycle One devised at the side of the Pool this August

Roy Cohn inspired the most destructive Trump Idea Concepts

Good people need to see this not an accident but deliberate evil intent

Song Cycle Two devised at the side of the Pool this August

The gazes of Kittens follow sudden movements in concert

Including the move of an incumbent retiring governor to anoint

His appropriate successor in the last few weeks of a primary to boost

Turnout to, inadvertently and humbly, put Wisconsin in the spotlight

Song Cycle Three devised at the side of the Pool this August

An International Court of Justice could call Trump to the dock

Like at a docket for War crimes including against his own flock

Of weirdos who follow the path of destruction to the Roy Cohn logical conclusion

Instead of rewards or cleaning up in the stock market convict them of collusion

Song Cycle Four devised at the side of the Pool this August

Conventional wisdom is that Federal Crimes will fit Trump better

When Democrats win the Senate and House with the help of vetters

Song Cycle Five devised at the side of the Pool this August

Win the Governorship and State Senate and Assembly in a gust

Of wind because our Candidate at the top resembles Obama a bit

The first bill out of the gate should legalize Balcony A K A Plug In Solar

A mundane solution to an earthbound problem of heating near polar

Using the latest technology safely reverses electrical circuits

Neatly solving problems when charging modems and refrigerates

Song Cycle Six devised at the side of the Pool this August

Look to the United Kingdom to come up with ideas to curb wood burning

The new Prime Minister from Manchester is working class Andy Burnham

Song Cycle Seven devised at the side of the Pool this August

Look to the rest of Europe to come up with ideas to curb wood burning

Spain and France were hard hit and dealt with wildfire wood burning

Perhaps like us they are more like test cases, so bring hope to cope

This is the time to assess how best to mitigate with what we already know

Spain had set an example of how government could wealth Tax Act

Before Spain was hit by mangled nature and under Trump attack

Song Cycle Eight devised at the side of the Pool this August

Ukraine is fighting deep into Russia and is being hit in turn

When the US Senate and House are in Democratic hands they can turn

To supporting Ukraine at full capacity. Trump led by Putin idiotically

Has followed Putin Instructions and reduced our missile capacity.

These Eight Song Cycles neatly fit into aims devised in the Eighth Month of August

Making ending indoor residential wood burning the centerpiece

We award the Trivia Contest Prize to the aim of Solar on Balconies

Planning to expand our aim to the larger issue of expanding Wind Power

In order to save the planet before it burns up! Saving our breath for now!
